Meeting ID: 815 4485 7599

Agenda

1. Participant updates

JC - Talks are in the works as to whether SJC or CNM will be providing the classes

2. Timeline of activities/events

JC - Goal is to have 10 schools board. Currently have 9.

Hoping to get 15 professionals to participate in activities - looking to increase amount as time goes on.

CH - When should this start? JC - this fall, October to finally begin. By the end of the summer we hope to know where the students are in their course work. Start putting information together this fall.

3. Courses students will participate in (see attached examples)

JC - All the pathways have option to get some type of certification. CH said he could help with the certification process.

4. Video Project will be complete by May 1st

I have attached some of the student course examples for you to get an idea of what they will be working through. I will update this as they inform us of their agreements with the higher ed institutions.

Upcoming in the fall

- **Online Q&A sessions with industry professionals, dates to be determined**
- **One on One student mentoring/sponsoring (what do you envision that would look like? What is a realistic time commitment/frequency for a business professional?)**

CH discussed expo at ANM. Any exposure of this type is beneficial to students mentioned the mock interviews were intimidating to students. JC said it is good practice for them.
