**Agenda**

**1. Videos are out and will be uploaded this week. We were waiting for the Spanish subtitled versions**

All videos have been uploaded with Spanish subtitled captions. Glad to see several women represented. Hope to be able to interview 5-10 students next time.

**2. Fall/Spring activity dates**

**a. Q&A Sessions Sept. 26 and 27<sup>th</sup>**

Would like to plan a virtual Q&A session for students with 3 to 4 professionals. 45 min to an hour long.

**b. Career Exploration/Career Readiness Expo March Spring 2024**

Good time for professional to engage with students with other HED's. To include breakout sessions. Chris suggested prepared questions to "break the ice" Time for this flexible as some students will ask more questions than others and will need more time. Maybe offer one on one sessions. Jaime said she would like to see some mentoring opportunities come from these sessions. It is in the budget to possibly transport students to these. If business could host on site visits, transportation could be provided as well.

**3. Some enrollment numbers (Students in an IT pathway) keep in mind, the early college high schools have much lower overall enrollment numbers than a traditional high school.**

**a. Bond Wilson - Kirtland/Shiprock 12**

**b. Deming -5**

**c. Gallup - 38**

**d. San Juan College 14**

Many students are still enrolling and will update. Many of these schools are small, so enrollment will also be low. Jaime currently working with the PED to find out how many students are involved in IT courses.

No meeting in June – keep July tentative.

Introduced Natalie Lopez with Encantada.
