

Attention Counselors!

You and your students are invited to join an online IT community through Mighty Networks!

You can join and connect with other counselors through the Counselor Collective!

- Collaborate with other counselors.
- Access exclusive resources.
- Build a support network.
- Join discussions and share your experiences.

Mighty Networks is an online platform where students can:

- Connect with top IT pros and dive into exciting tech careers.
- Learn cutting-edge skills anytime from their own device.
- Engage in live discussions and get tips from industry experts.
- Learn how tech powers every career path.

How to join

- [click here](#) to create an account.
- Complete Your Profile
- You'll be automatically added to the network.
- Start exploring the community, and participate in discussions!
