

# Socorro ECHS

Technology is transforming  
**STEM** fields, driving  
innovation in research,  
problem-solving, education,  
and real-world applications  
across science, technology,  
engineering, and  
mathematics.

Explore the relevant IT  
courses available to you  
and start building the skills  
that will open doors to  
exciting **STEM** pathways  
and future opportunities!
